Dear Parents / Caregivers,

RE: SCHOOL CHARGES AND CONTRIBUTIONS FOR 2019

Please use this information to budget for the charges for the year

In accordance with the Education Act, schools are required to communicate to parents all Contributions and Charges which are to occur for the following school year. The School Council and the Finance Committee have approved the following contributions and charges.

Voluntary Contributions

Contributions for the 2018 school year are:

Kindergarten / Pre-Primary students \$60.00 per student

We have decided to provide all of the items for the Kindergarten and Pre-Primary program to ensure that all students are using the most appropriate items whilst learning new skills. This move has resulted in Kindergarten and Pre Primary students having no Booklist for 2019 (this is an extension of the trial that we ran in 2018 where the Booklist was extremely reduced). As you can see it is very important that we collect as many Voluntary Contributions as possible to cover the cost of the items that we will be providing and we strongly urge you to pay yours - Payment plans of \$15 per term can be organised with the front office.

The only other items required by your children for the 2019 year are:

- 1 x Library Bag (approximately the size of a pillow case)
- 1 x Small Cushion (no larger than 45 x 45cm)

If you would like to donate some boxes of tissues or liquid soap dispensers, we would happily accept these donations.

Charges for extra cost optional components.

The schedule below indicates a breakdown of estimated charges for your child's participation in incursions, excursions, activities, etc. for 2019 (in addition to the Voluntary Contribution). Details on charges collected in previous years have been the basis of this schedule. Students will only incur costs when they are involved in a particular activity. The amounts indicated represent the maximum charged for scheduled activities in 2019 and, as in the past, you will be asked to make payment for each activity as it approaches or you can pre-pay these amounts at the front office at any time through the year. They will then be allocated to the charge when applicable.

All fees and contributions can be paid to the front office in cash or cheque or deposited directly into the school's bank account. They will then be allocated to items as they arise. **Wooroloo Primary School Fund Account: BSB 066 003 No.: 00902859**
